Anastomosis logo lab.

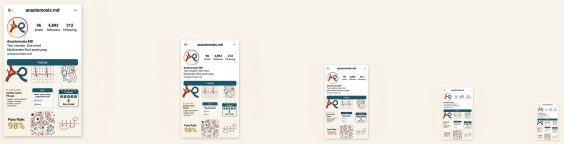

Sixty-five marks for the new name: the designer's cut, the wild waves, and their texture studies — then the founder's pick, the AV infinity, the living A, and the rest. One lab, one decision at the end of it.

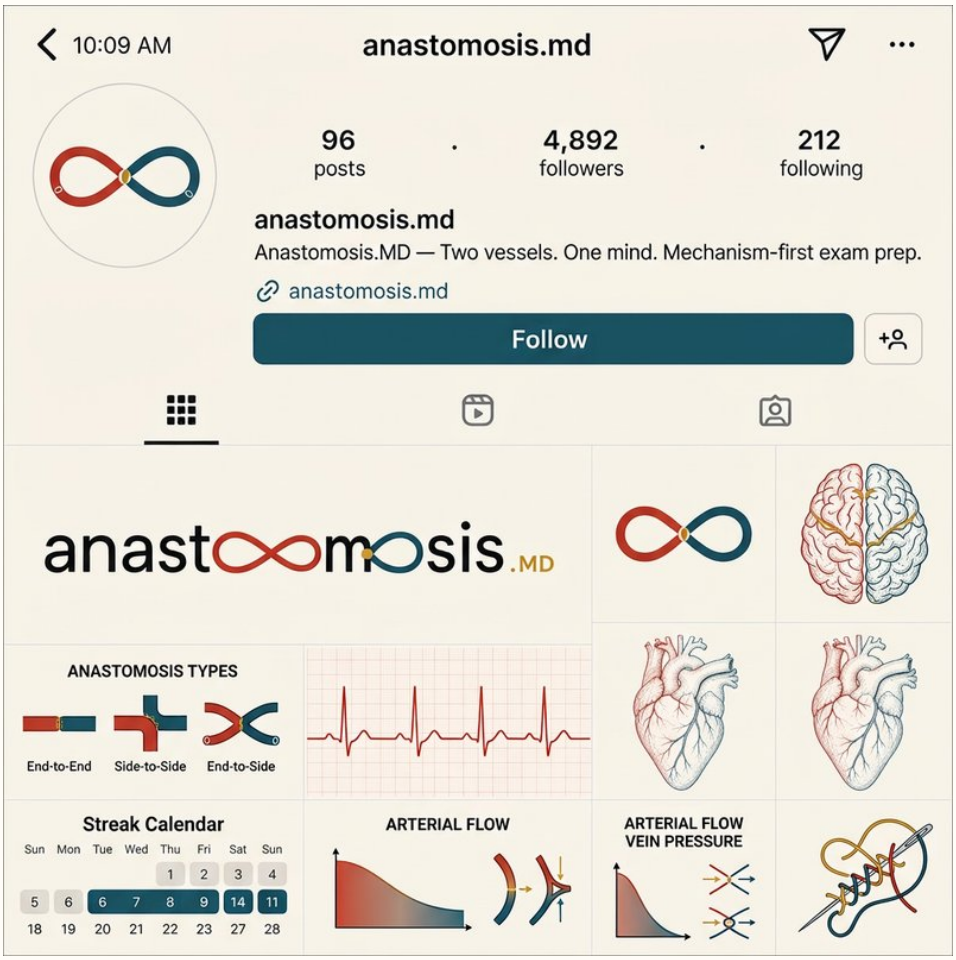

The self-tying vessel

The designer's cut: one continuous vessel — artery in through the golden ring, vein o
The infinity performing the anastomosis.

The name carries the loop

The wordmark lockup: the two O's of anastOmosis are the loops — the name performi its own meaning.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

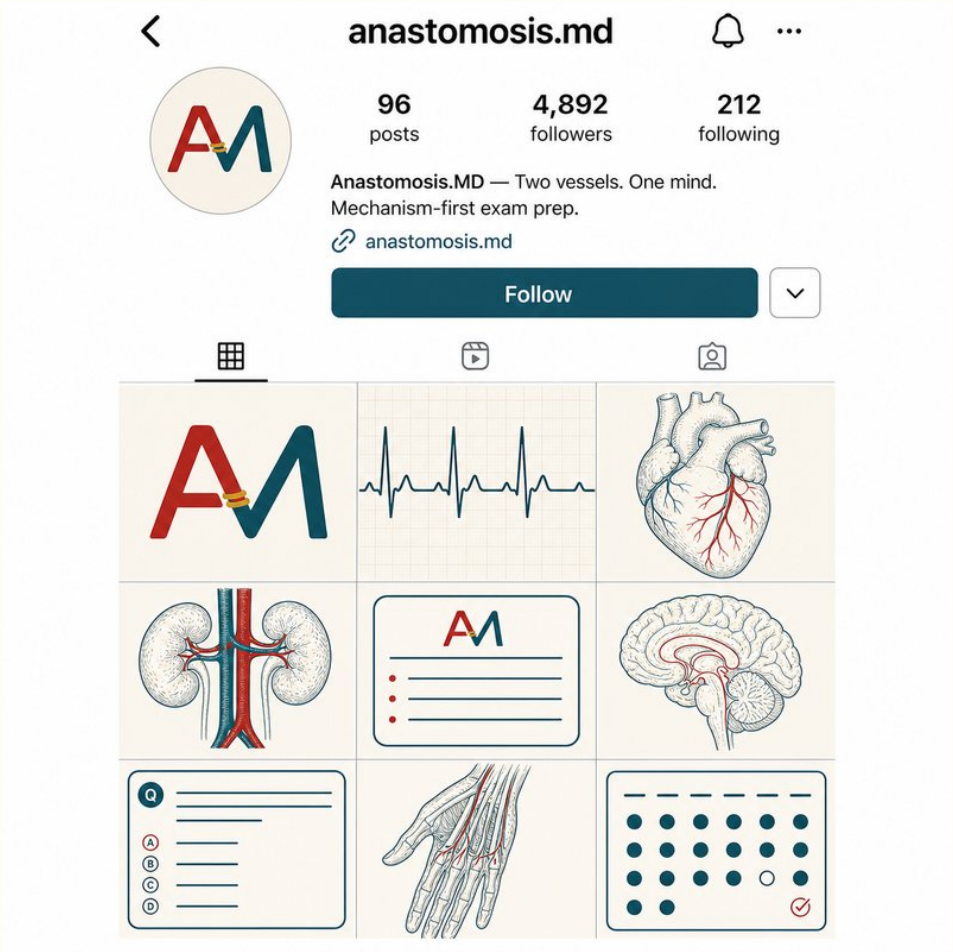

The crossing

Two vessels crossing at the centre, one gold suture ring, four open mouths — the surg
diagram become icon.

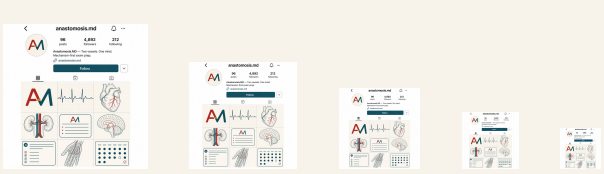

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

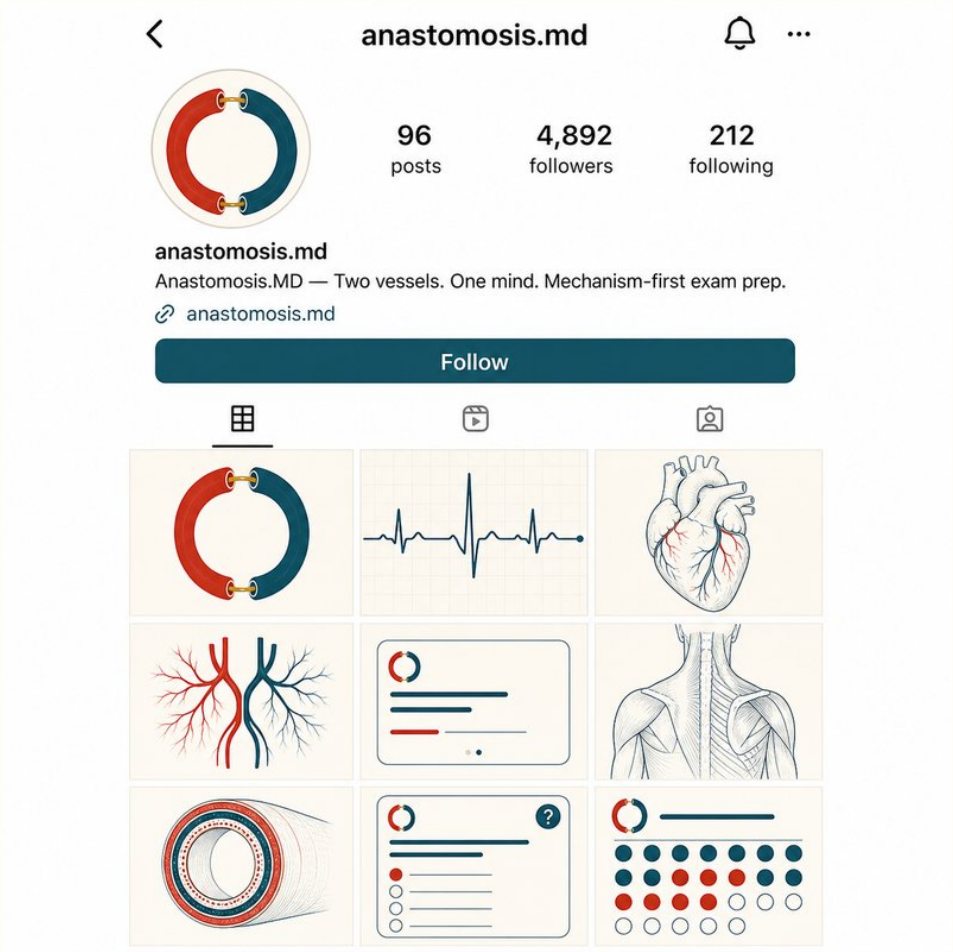

The ligature

A and M sharing one stroke — a ligature: two letters anastomosed into one glyph.

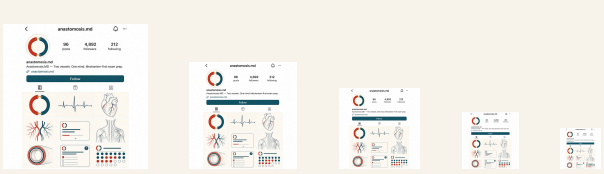

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

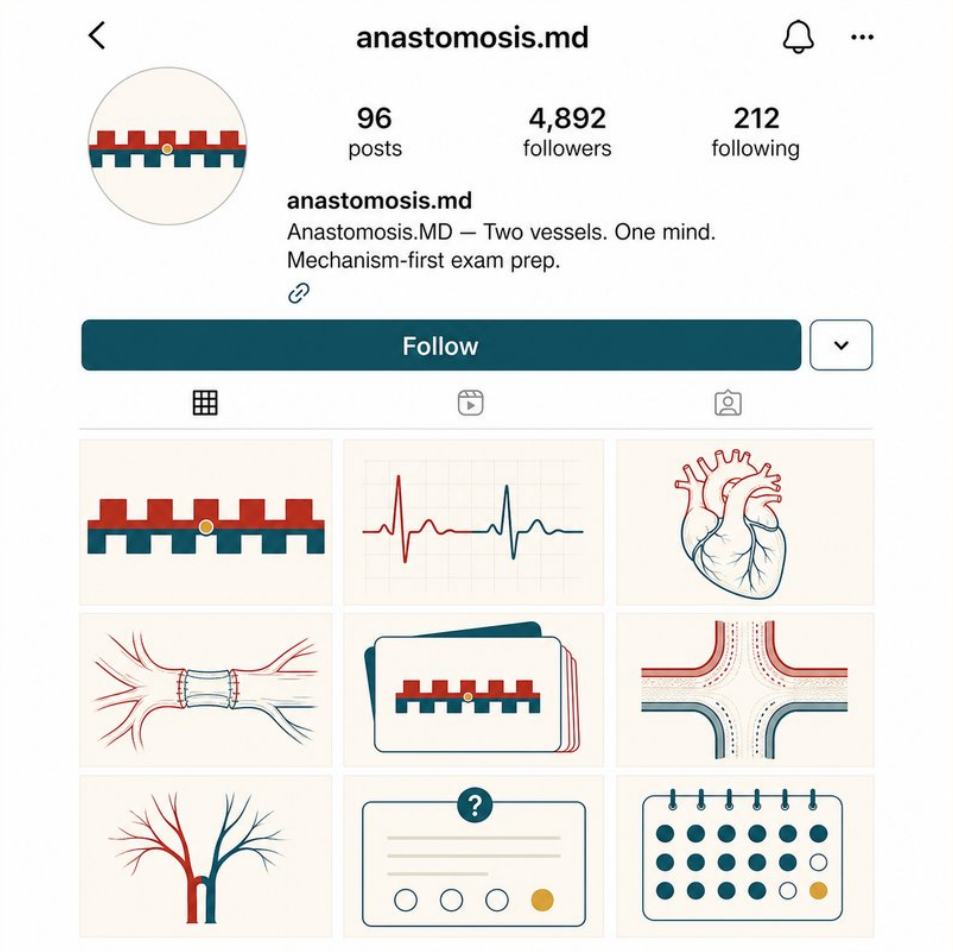

The embrace

Two S-curves completing one circle — the arterial and venous halves of one circulati

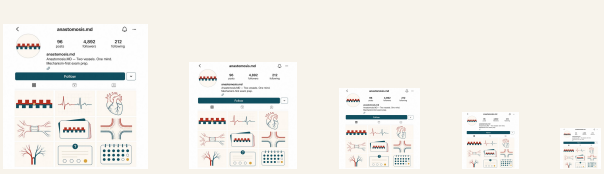

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

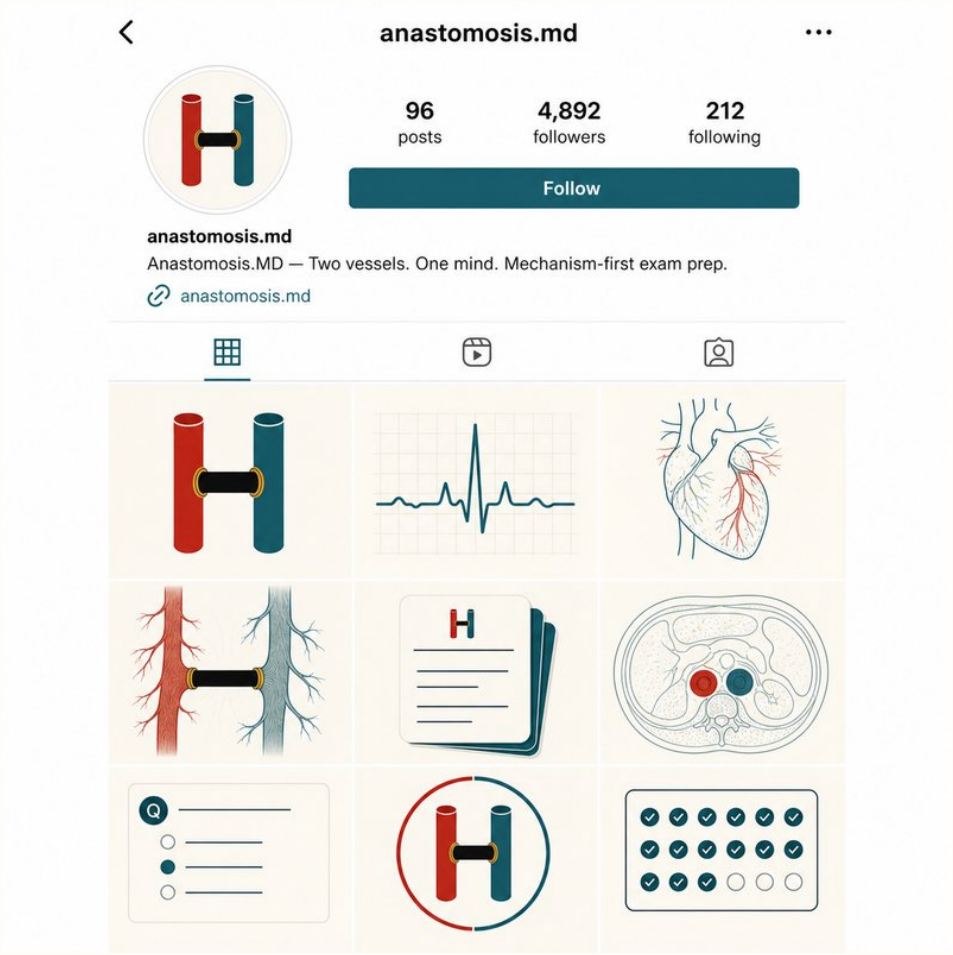

The seam

Crimson teeth interlocking petrol teeth — the mechanical anastomosis, one gold hand-stitch at the centre.

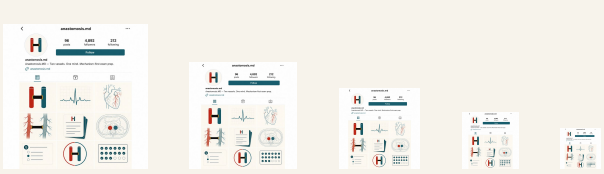

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

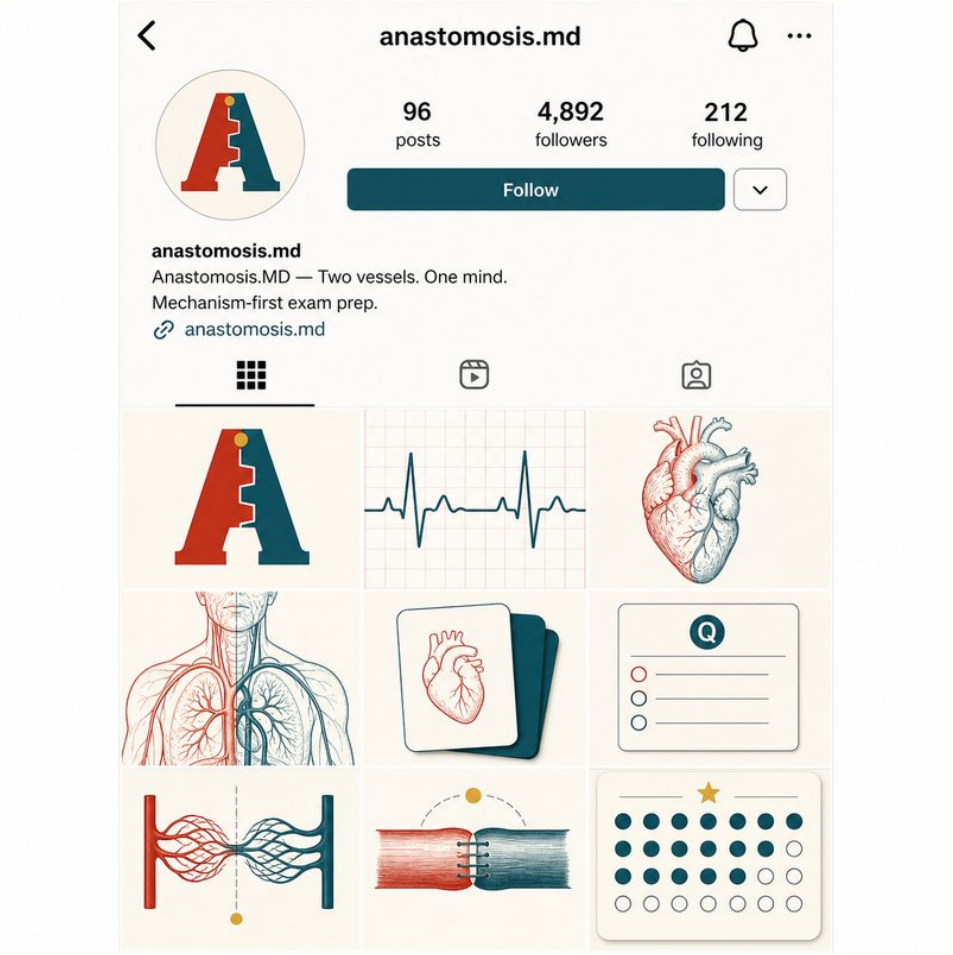

The bridge

Two vertical vessels joined by a horizontal graft — the letter H as the bypass surgeo build.

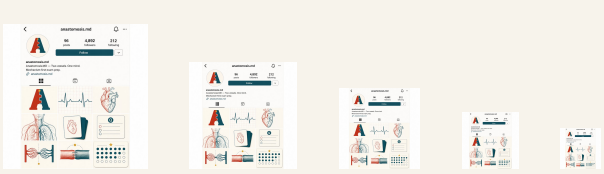

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

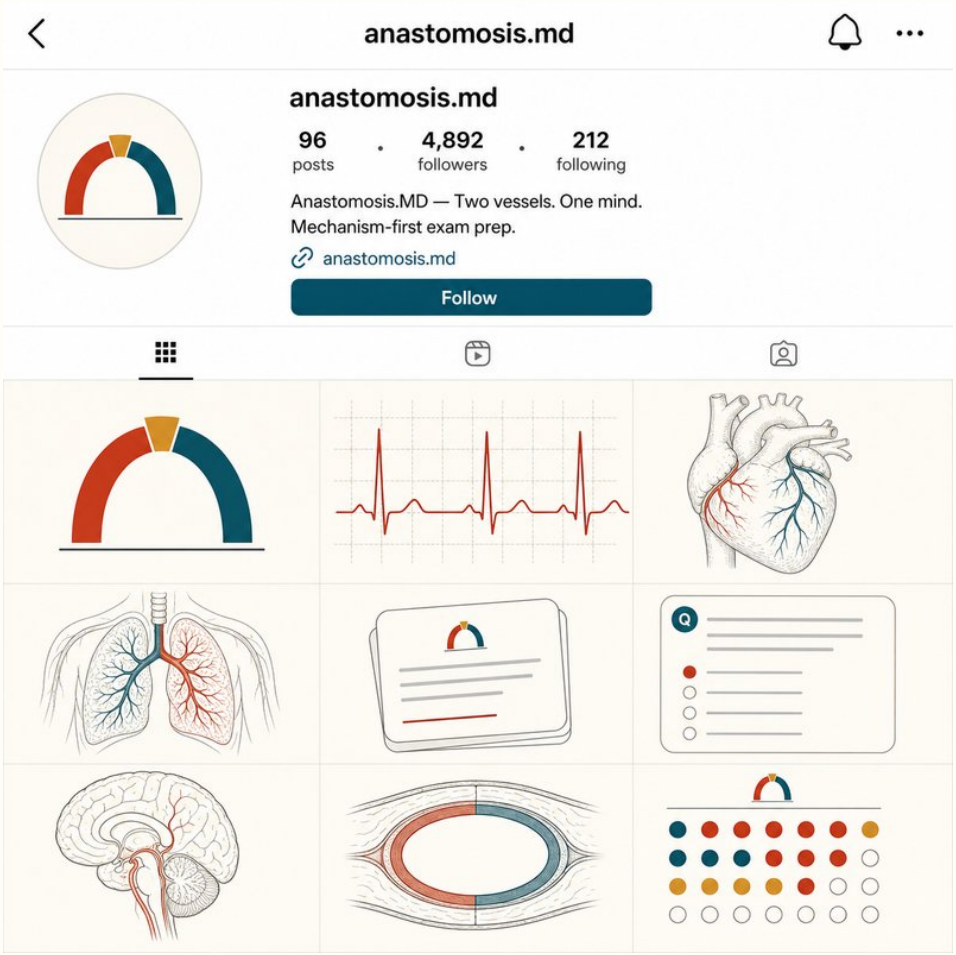

The dovetail A

The initial split by a carpenter’s dovetail seam — the mechanic’s truth wearing the surgeon’s letter.

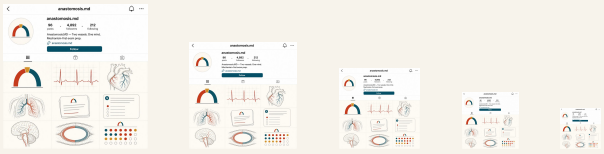

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

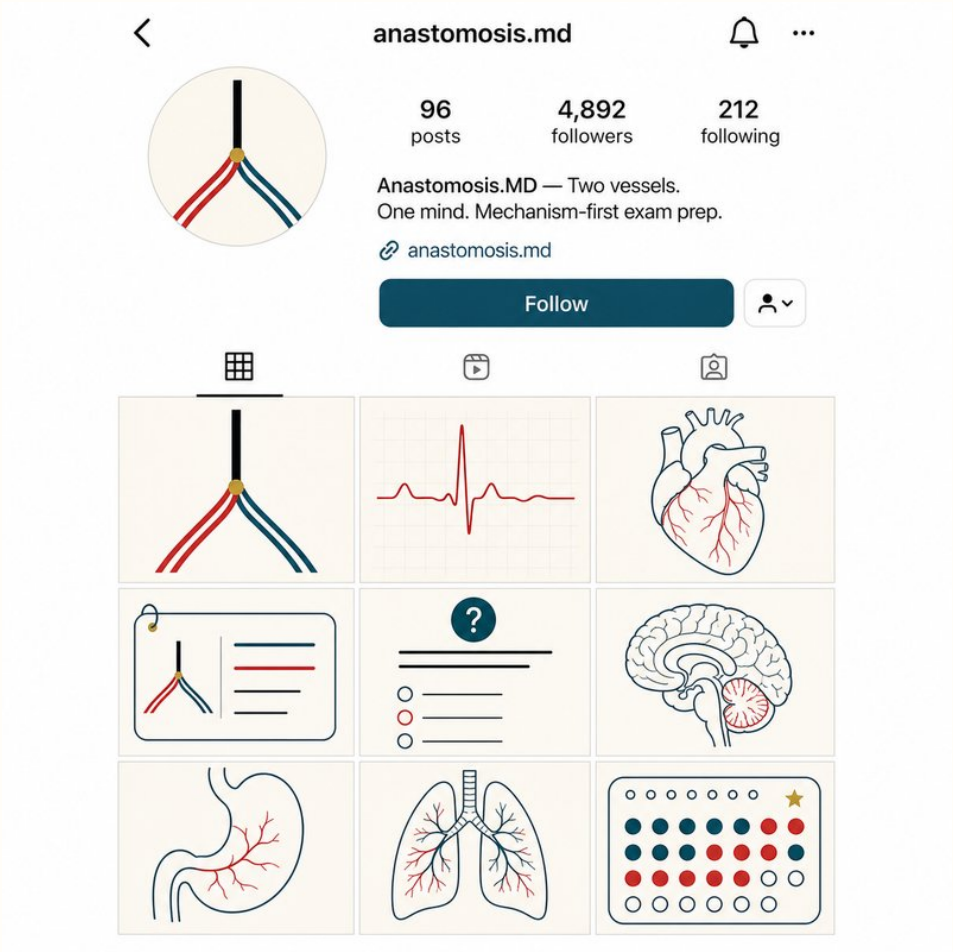

The keystone

Two arch halves locked by one gold keystone — the arch stands only because the jo
holds.

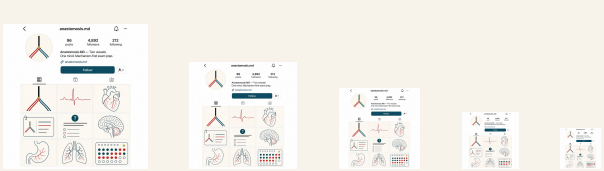

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

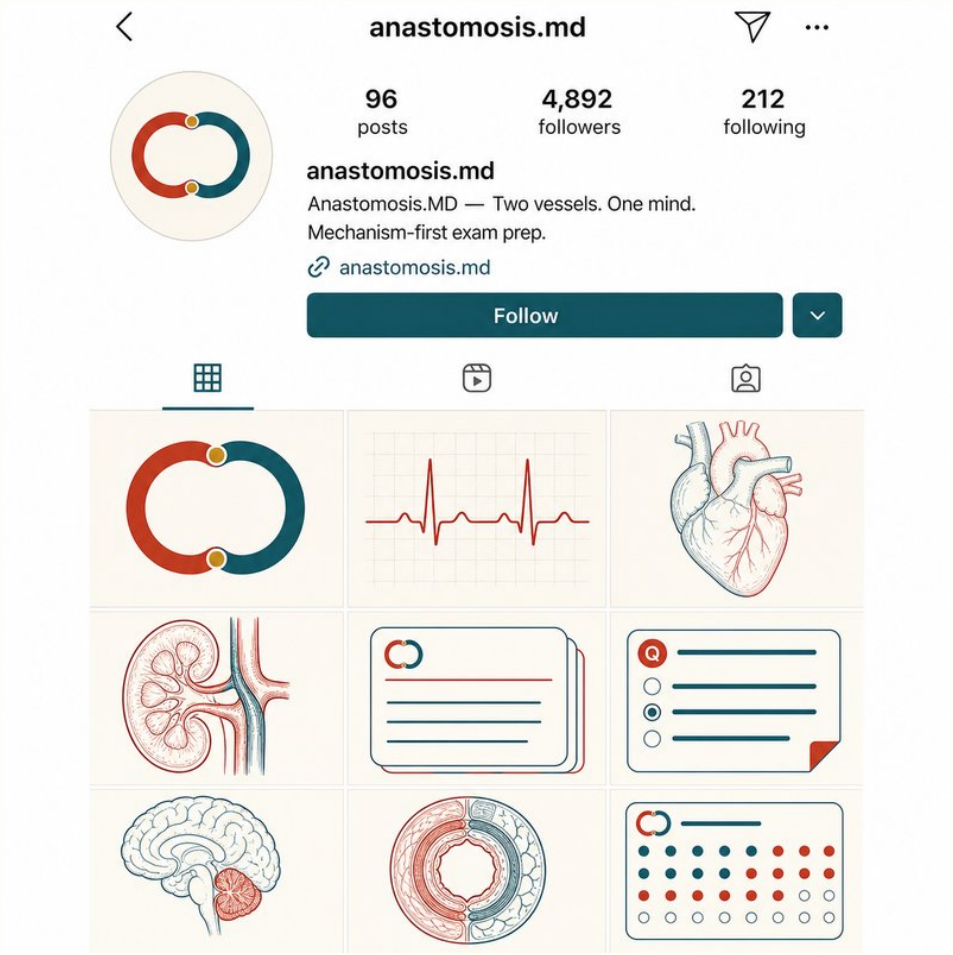

The junction

Two tracks merging into one — the railroad anastomosis, gold pin at the switch.

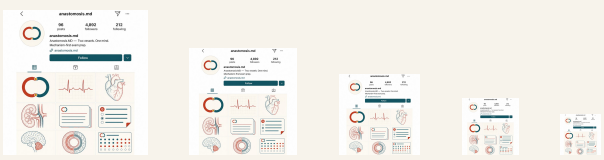

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

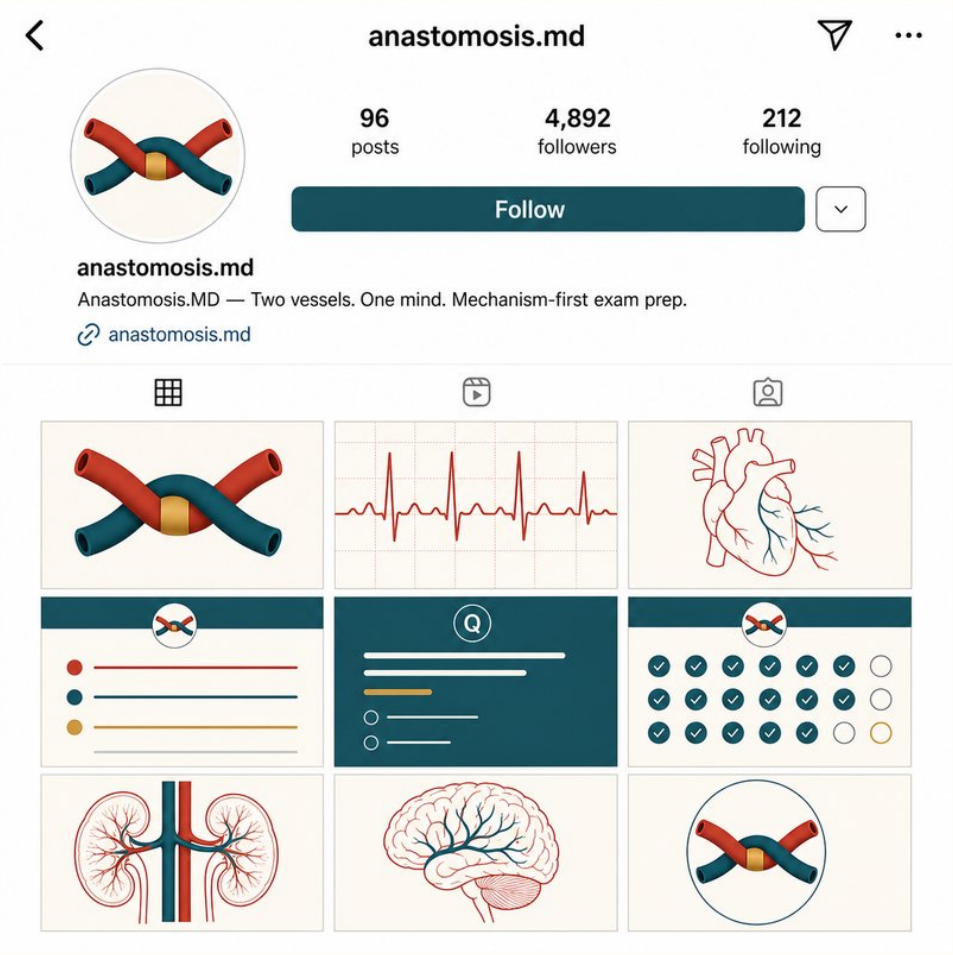

The coupling

Two open tubes clasped mouth-to-mouth — the plumbing of the body as one fitting.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

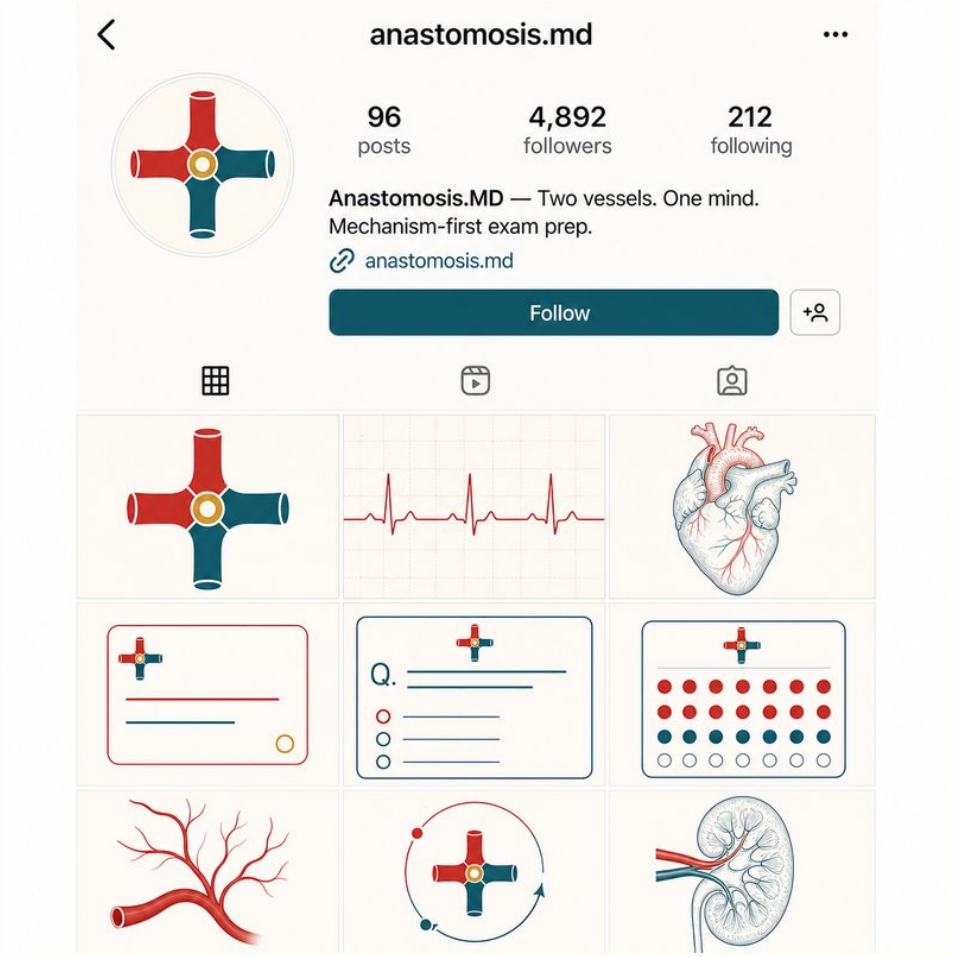

The braid

Two vessels woven over and under — the oldest join humans know, bound in gold.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

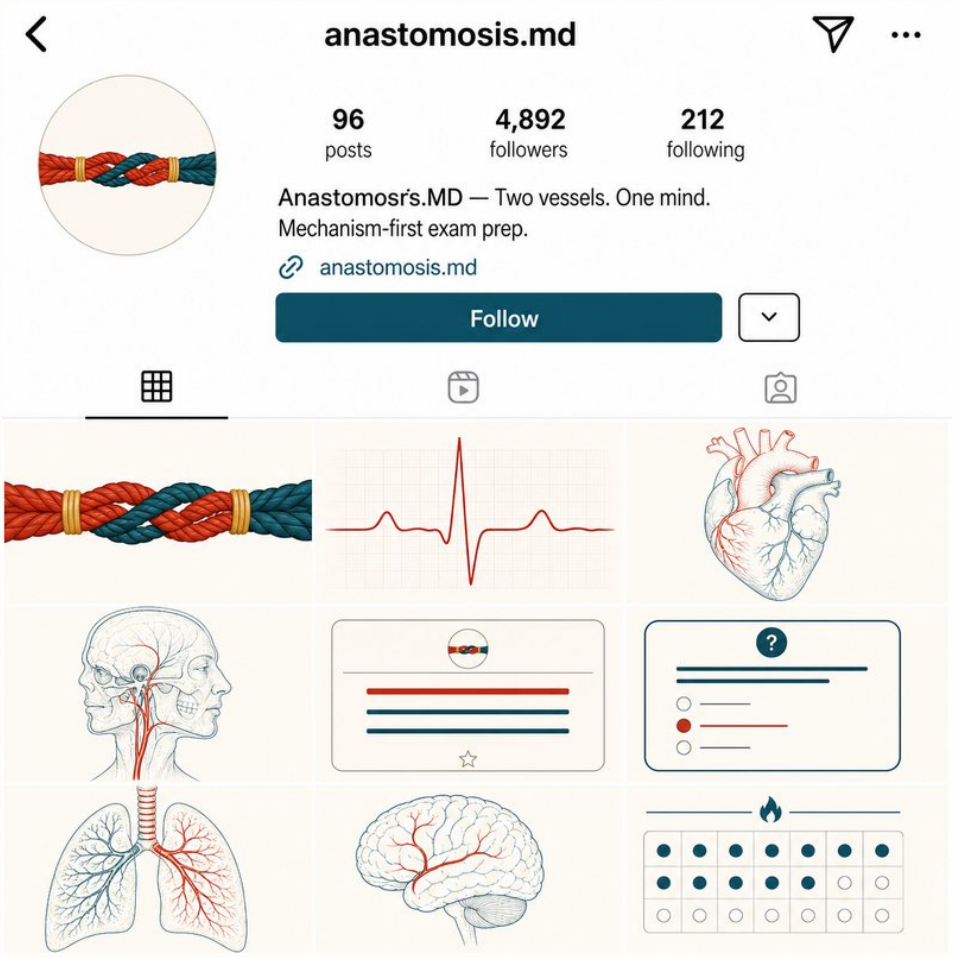

The confluence

Four vessels meeting at one golden node — the medical plus sign, drawn by circulati itself.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

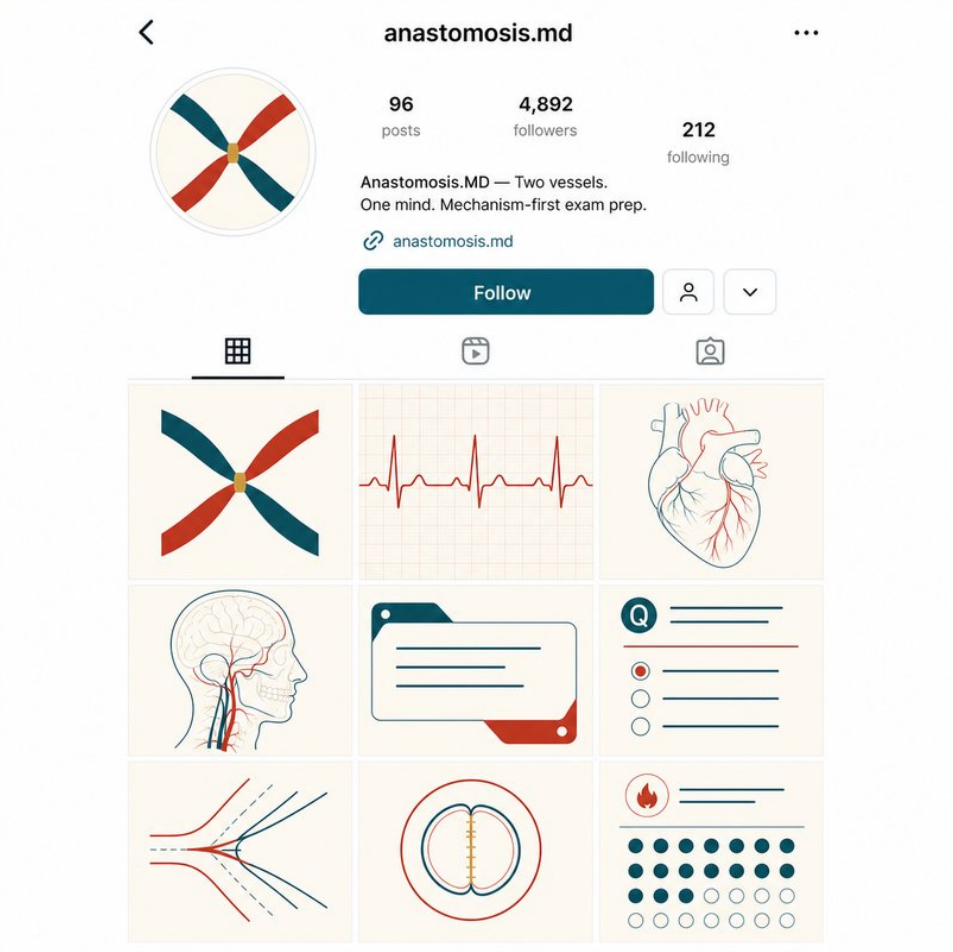

The splice

Two ropes, six strands interwoven — the sailor’s end-to-end anastomosis.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

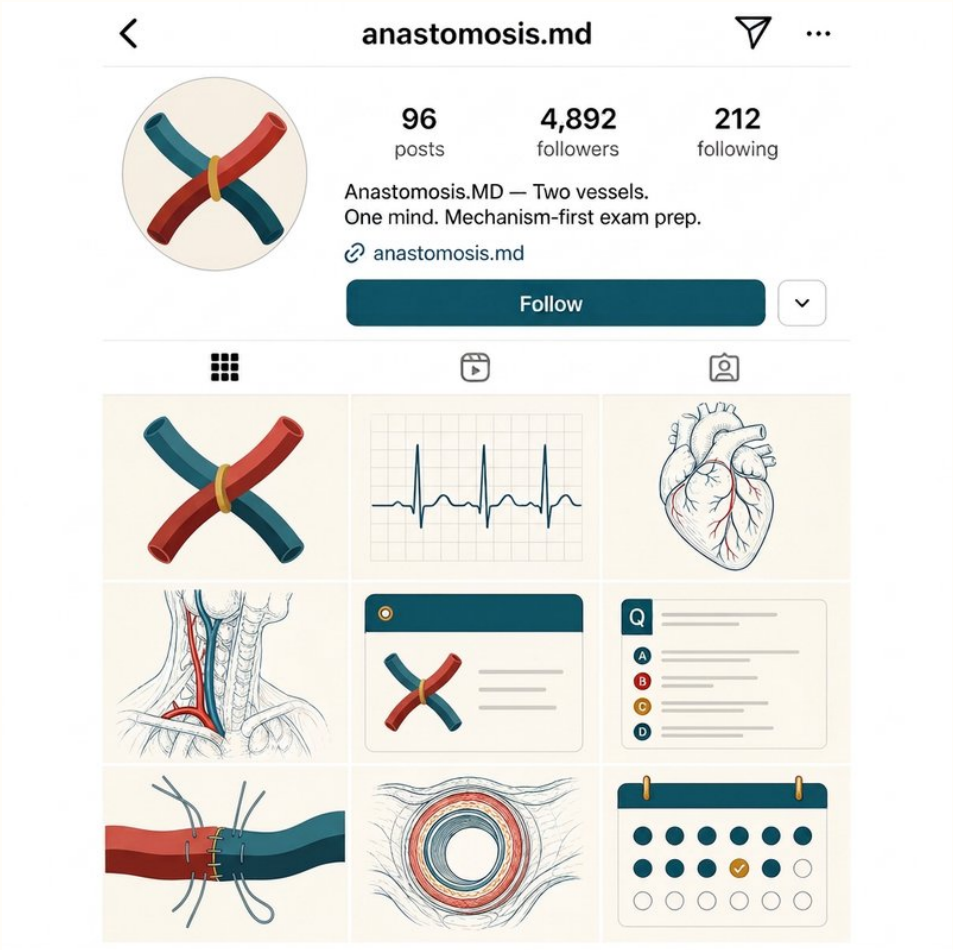

The crossing — ribbon twist

The kept study: flat ribbons half-twisting through the crossing.

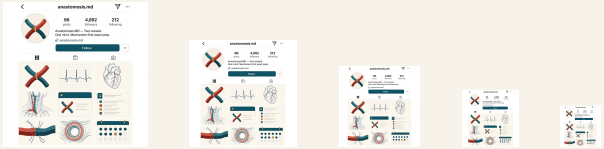

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

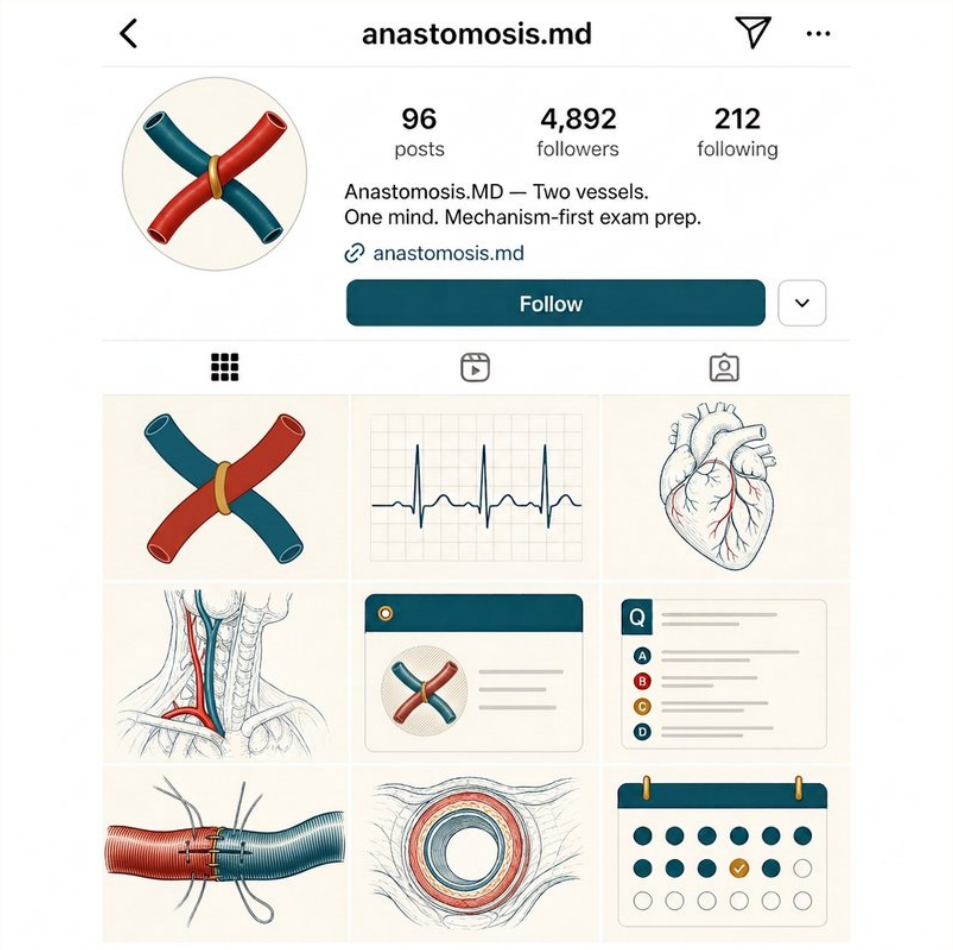

The crossing — two-tone

Same design, new skin: light and dark lengthwise tones — cylinder roundness, flat.

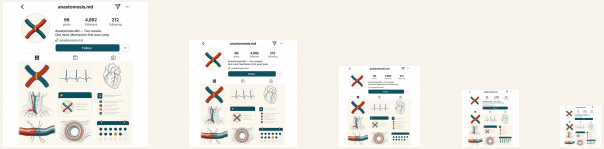

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

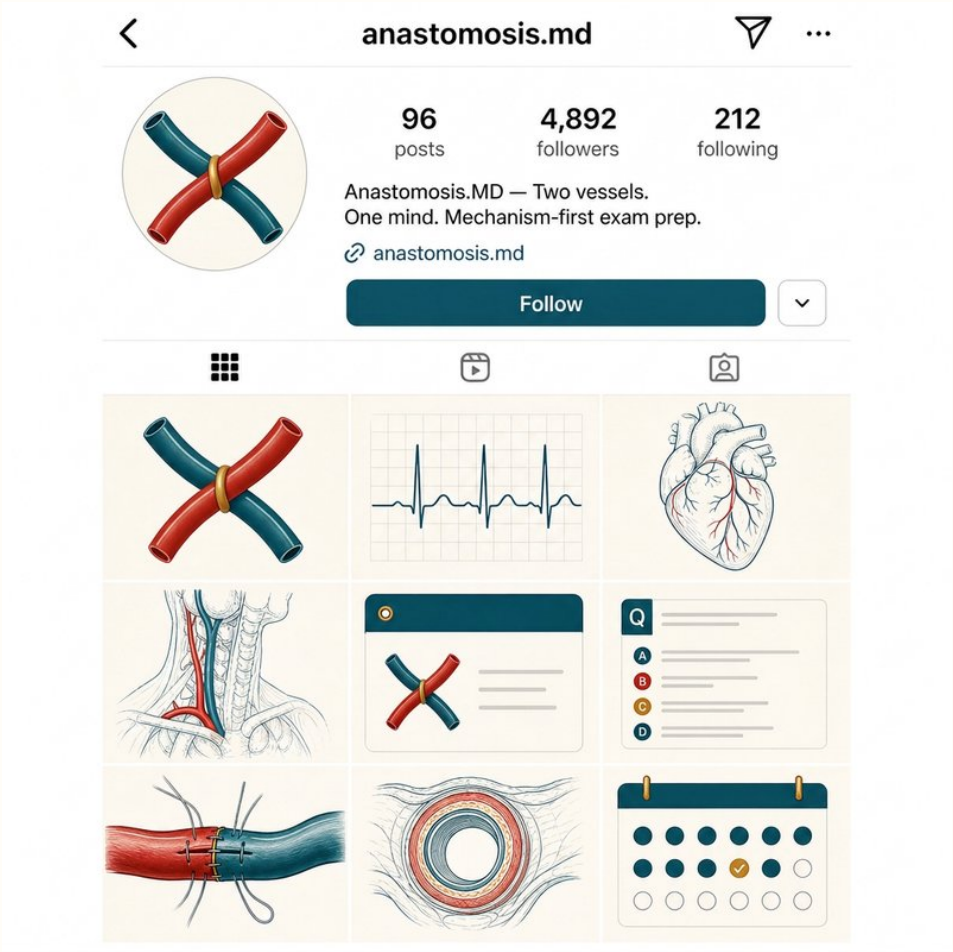

The crossing — hatch

Fine bone hatch lines — the vintage anatomical plate.

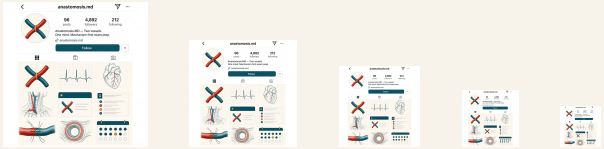

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

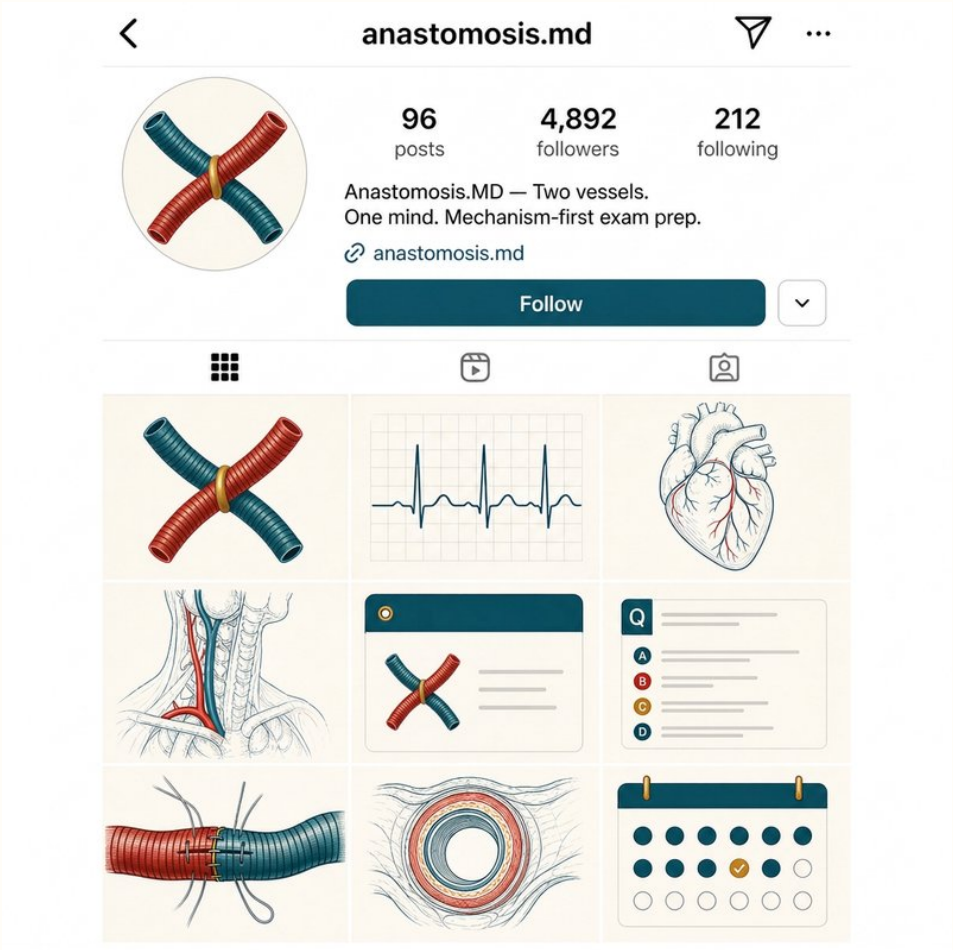

The crossing — sheen

One thin lighter line along each tube's upper edge.

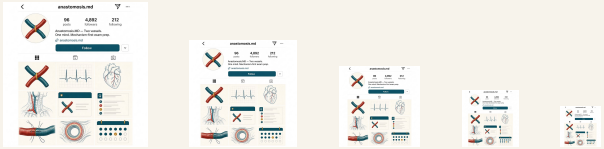

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

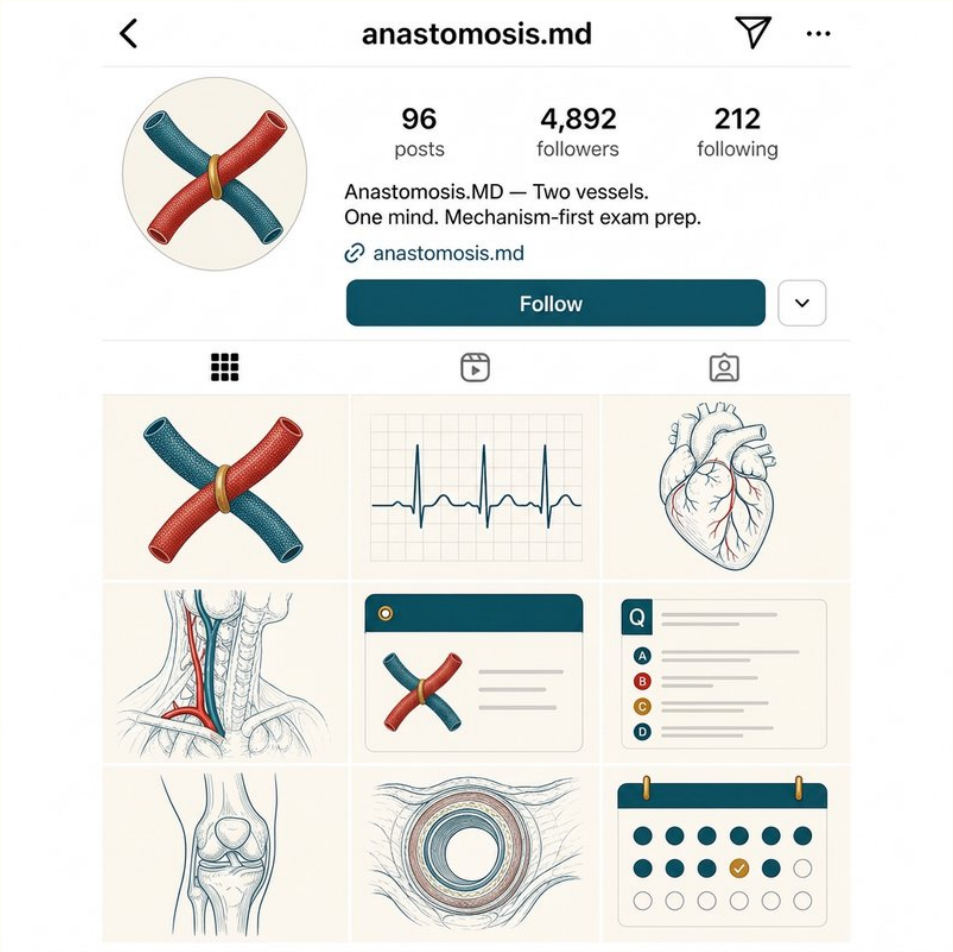

The crossing — bands

Fine perpendicular bands — myelin segmentation.

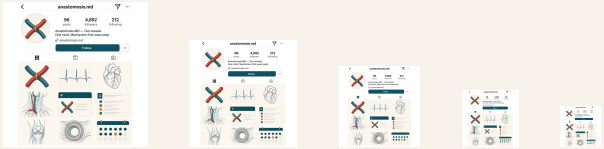

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The crossing — stipple

A fine scatter of lighter dots — stipple engraving.

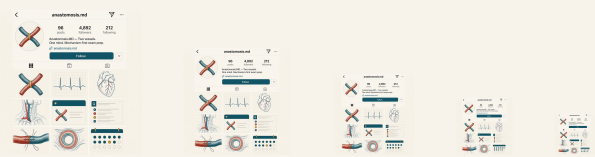

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

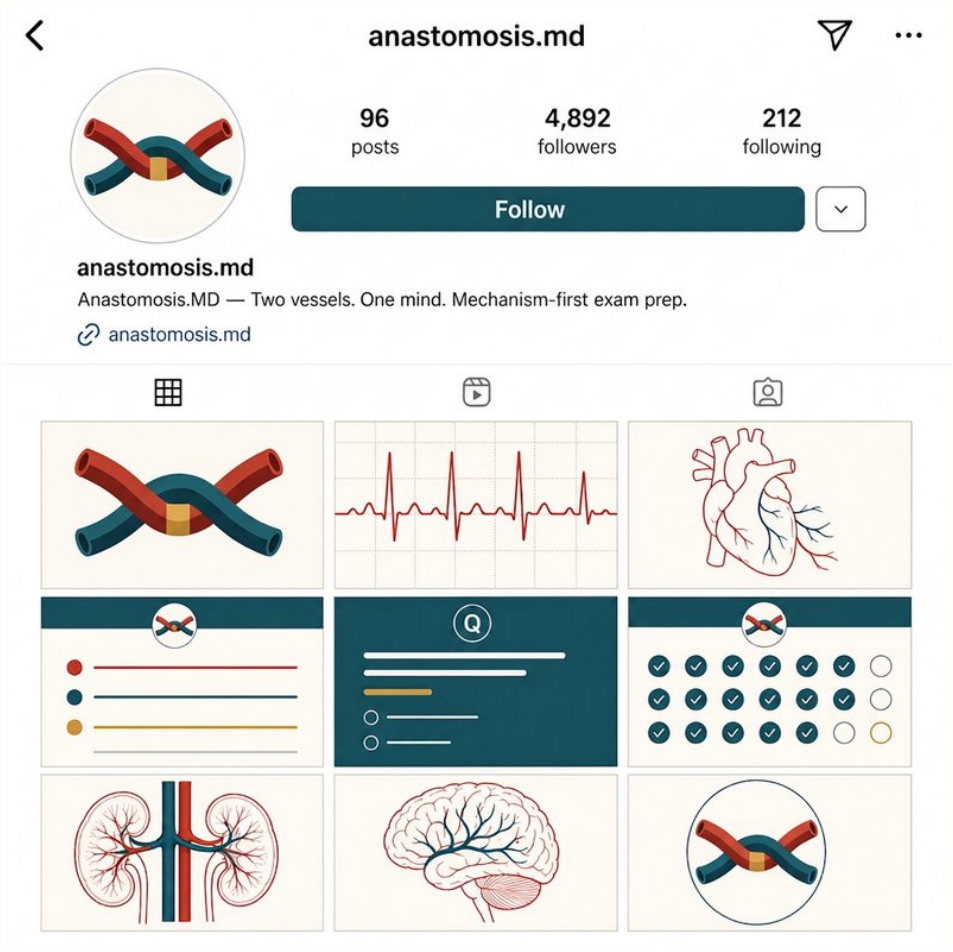

The crossing — crosshatch

Two directions of fine bone lines — classical engraving.

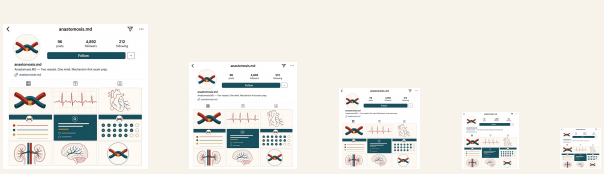

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

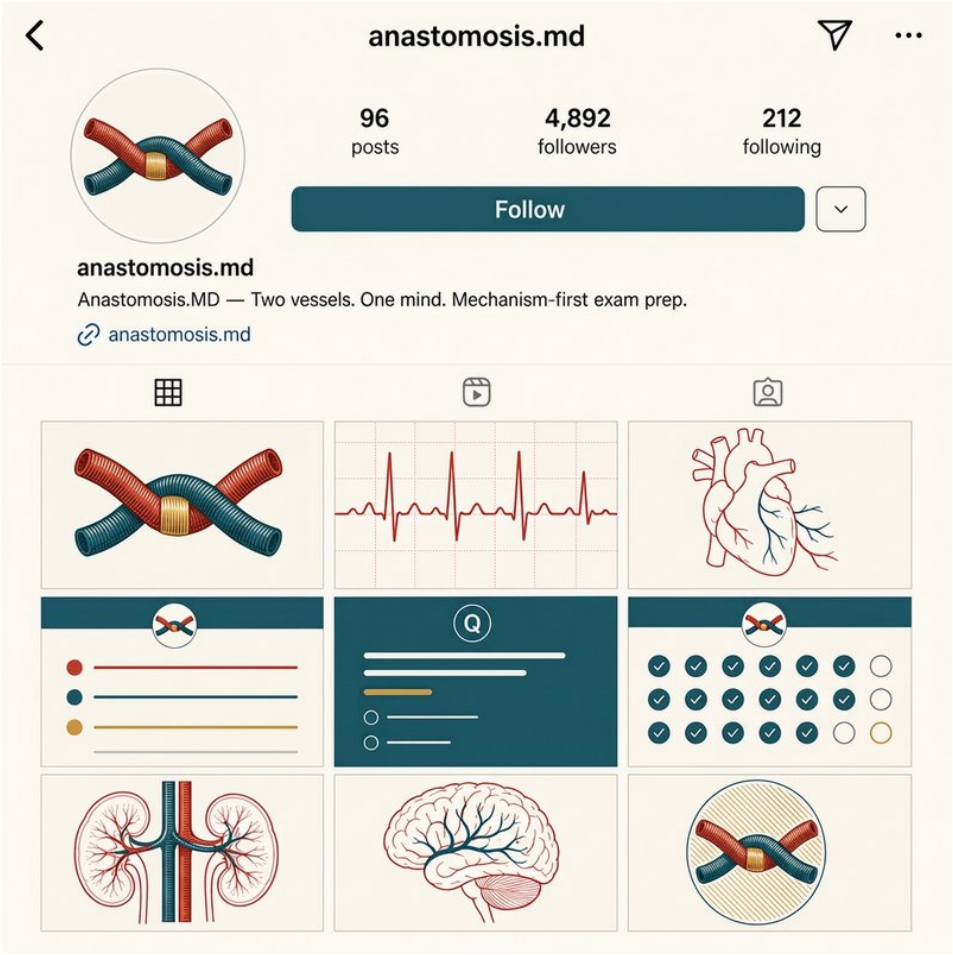

The braid — two-tone

The braid, new skin: light and dark lengthwise tones through the weave.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

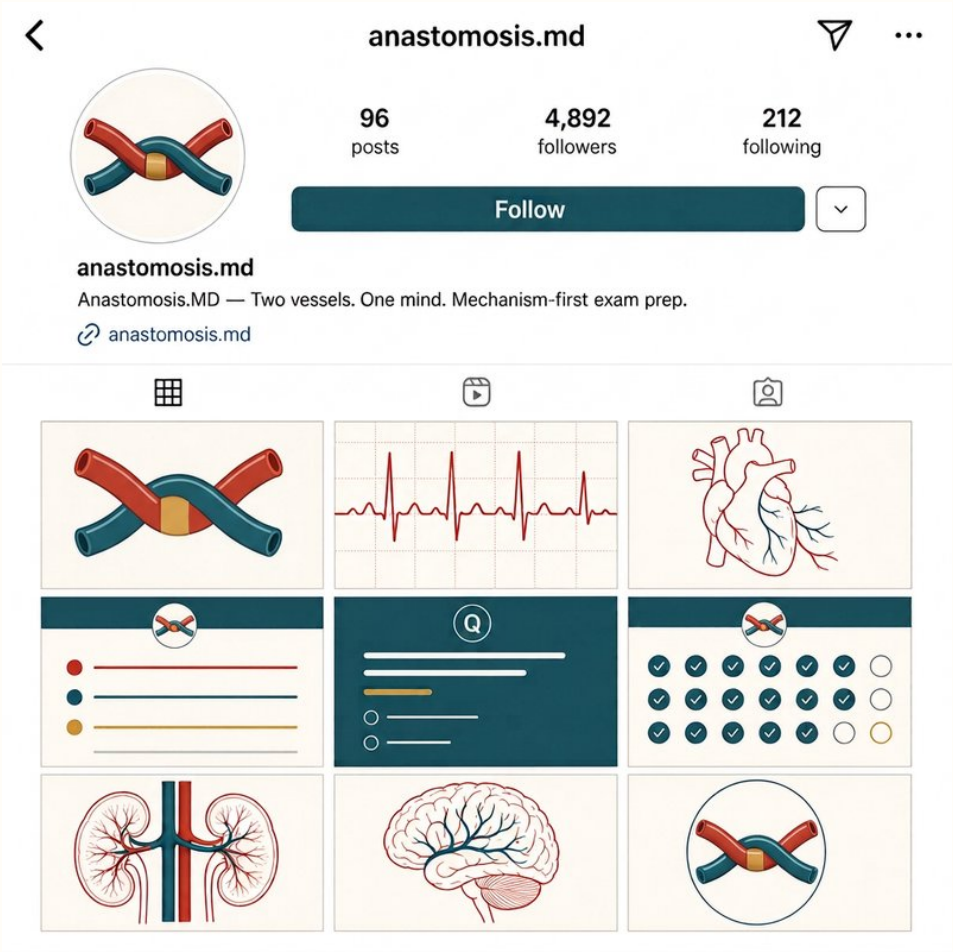

The braid — hatch

Fine bone hatch lines following the weave.

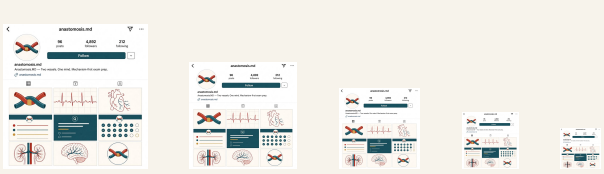

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

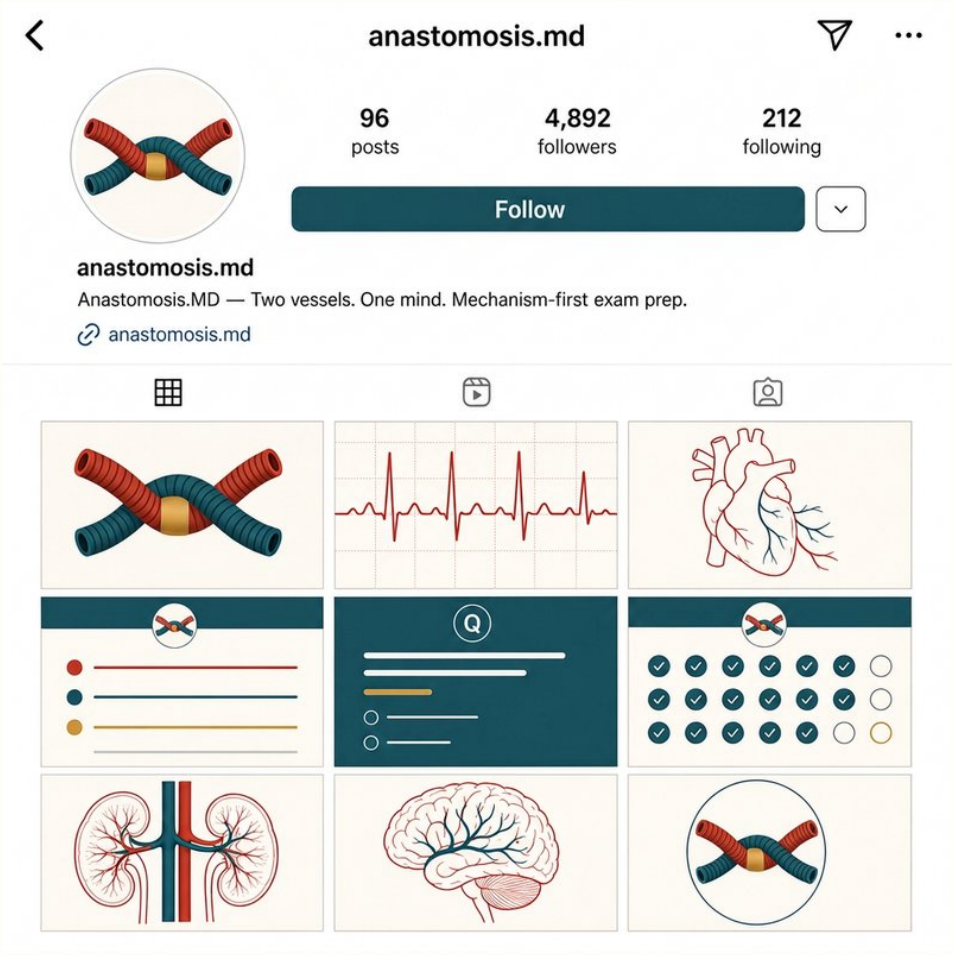

The braid — sheen

One thin lighter line faithful through every crossing.

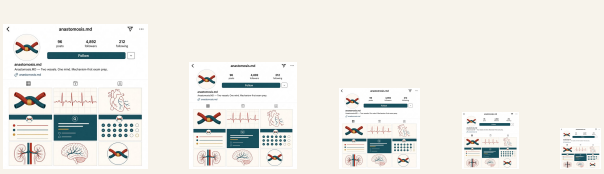

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

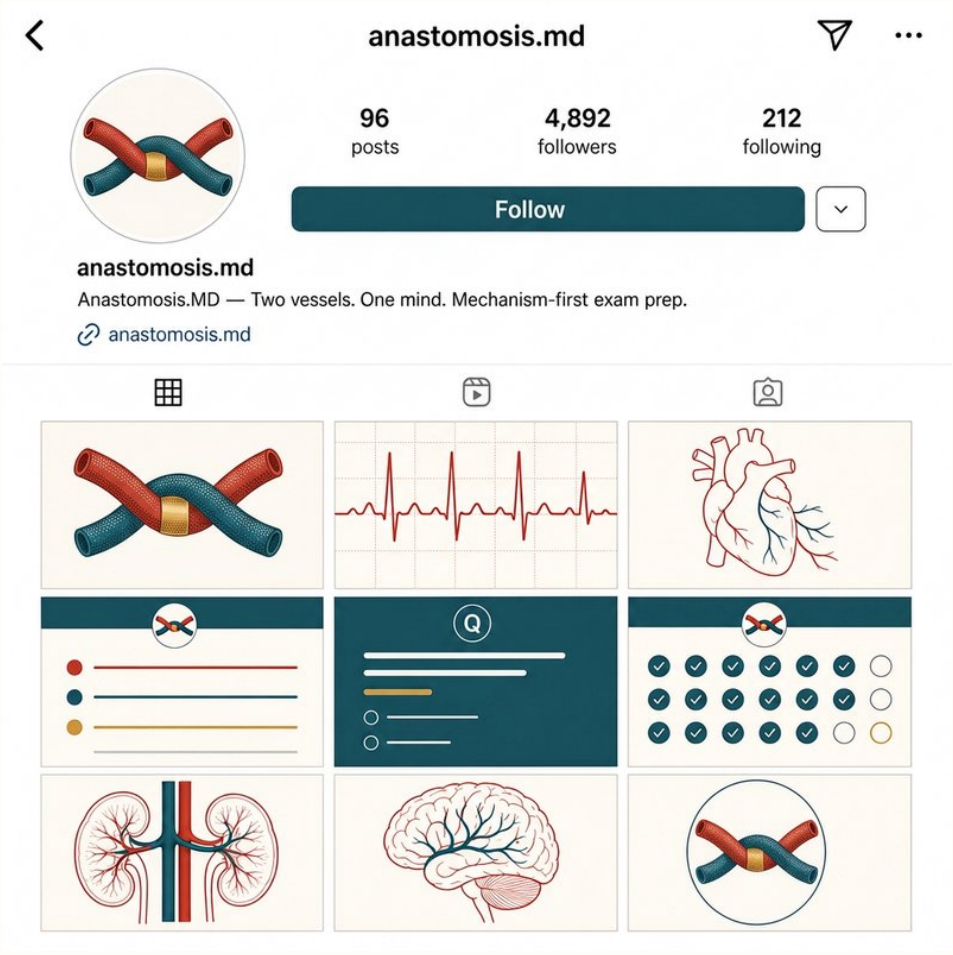

The braid — bands

Fine perpendicular bands — myelin segmentation through the weave.

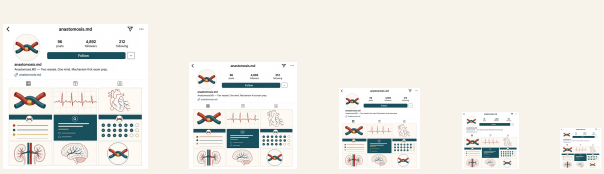

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

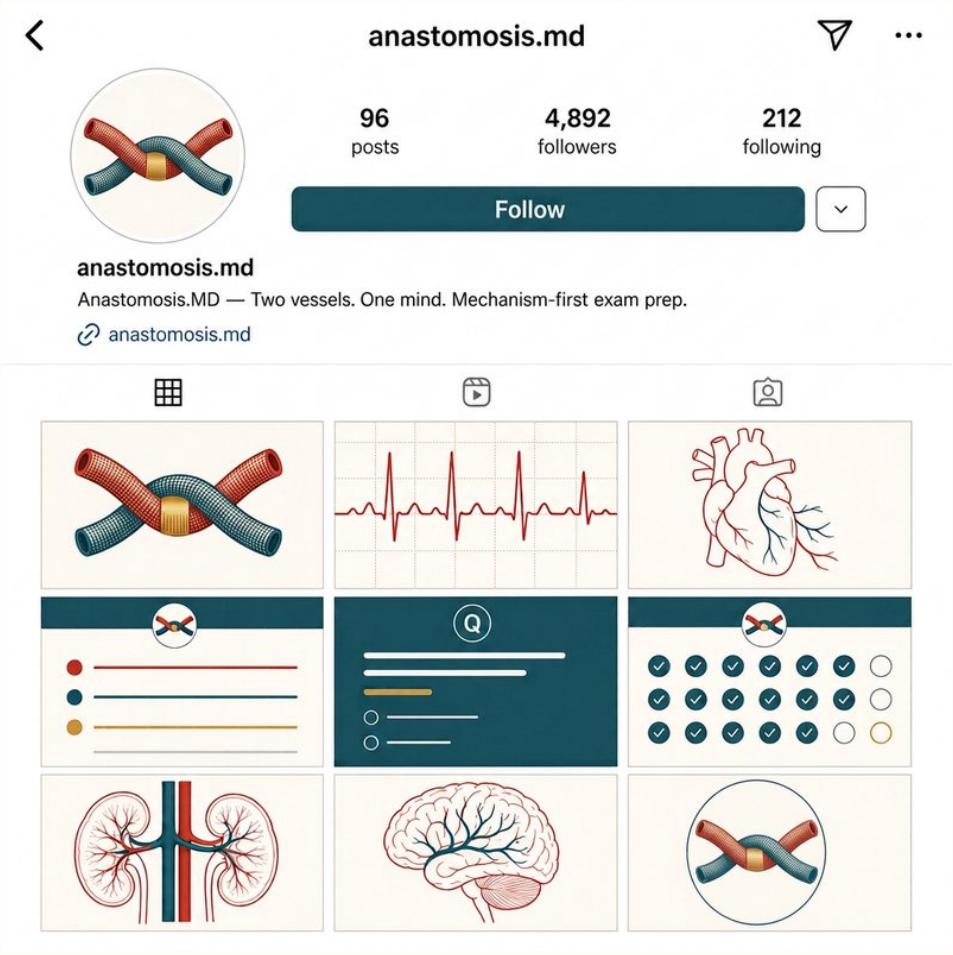

The braid — stipple

A fine scatter of lighter dots through the weave.

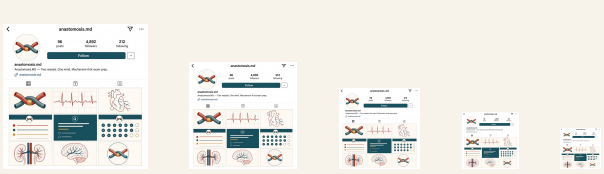

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

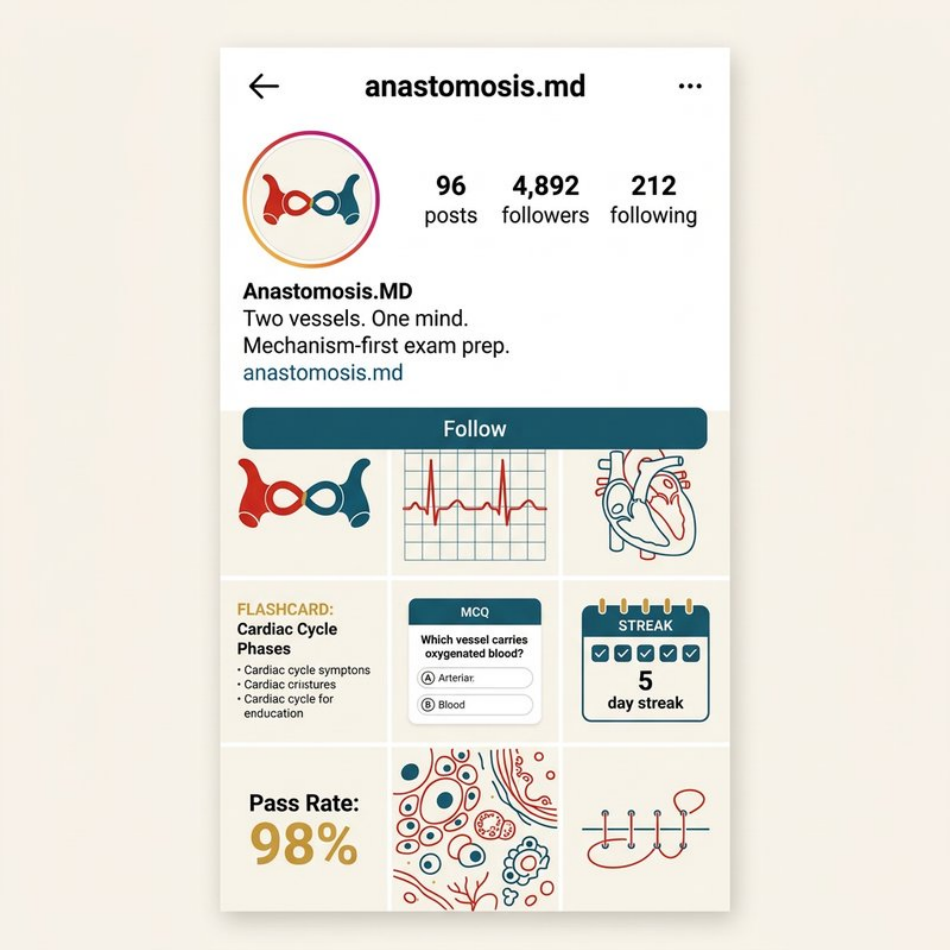

The braid — crosshatch

Two directions of fine bone lines on the woven tubes.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The emblem — in the wild

The founder's pick: the vessel-join loop as the avatar — artery loop, vein loop, gold crossing, born in the profile view.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The AV infinity — the join

The infinity IS the anastomosis: its ends fuse into the artery and the vein — suture rin both junctions.

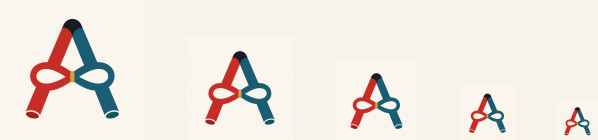

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The AV infinity — the flow

Artery flows into the left loop, vein receives the right — blood changes sides at the go
crossing.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

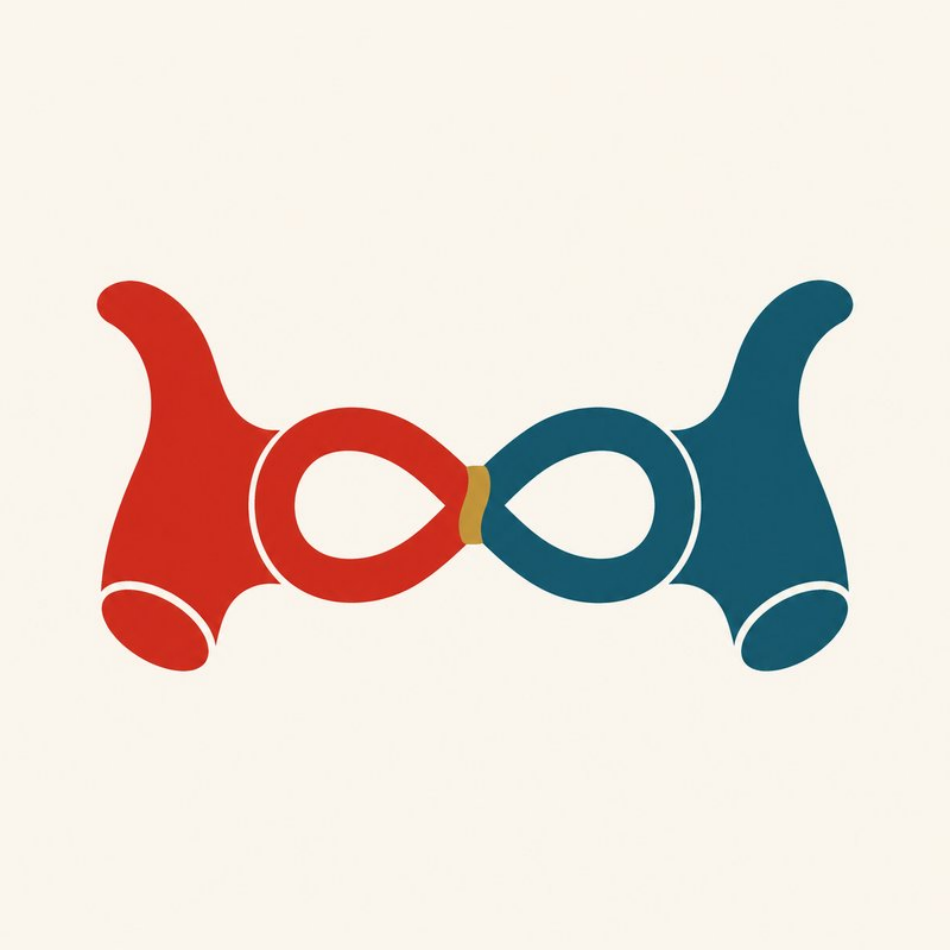

The AV infinity — minimal

The 16 px cut: A skeleton, the gold loop bridging artery to vein.

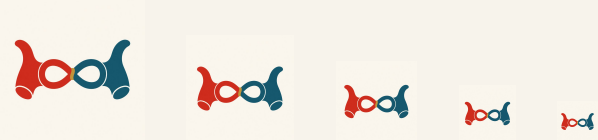

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The AV infinity — emblem

No letter, pure symbol: an artery and a vein joined by the endless loop.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

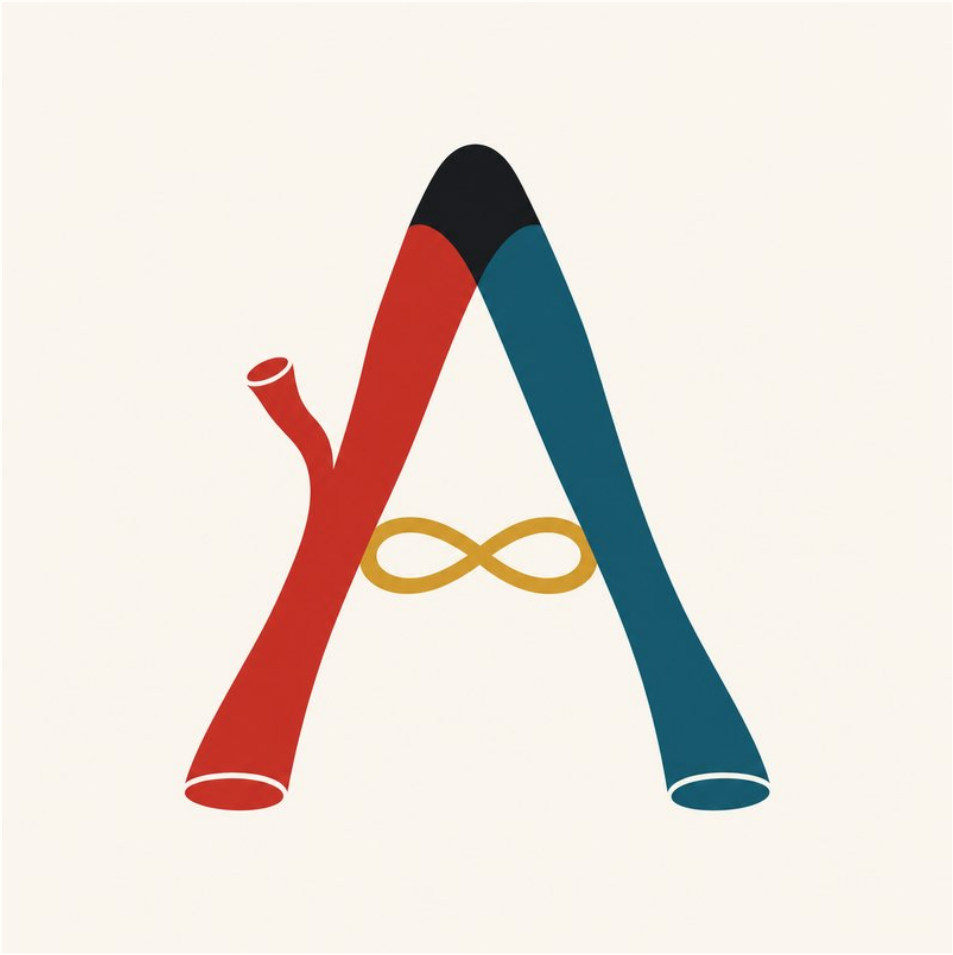

The living A — definitive

The thesis: pure letter skeleton, vessel material — organic curves, taper, the branch, lumen mouths.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The living A — infinite crossbar

The vessel A with the infinity as its crossbar, in gold — the loop held in the letter's c anatomy.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The living A — looped feet

The vessel A with quiet loops at its feet — the infinity carried at the base.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The living A — vivid

The recognition test: true arterial red and venous blue — the universal diagram colou

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The living A — anatomical hero

Real 3D vessels: organic tubes, the branch with interior depth, the gold suture bar

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The clear A — definitive

The two non-negotiables: a textbook A readable in half a second, and strokes that a unmistakably vessels — tube mouths, lumens.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

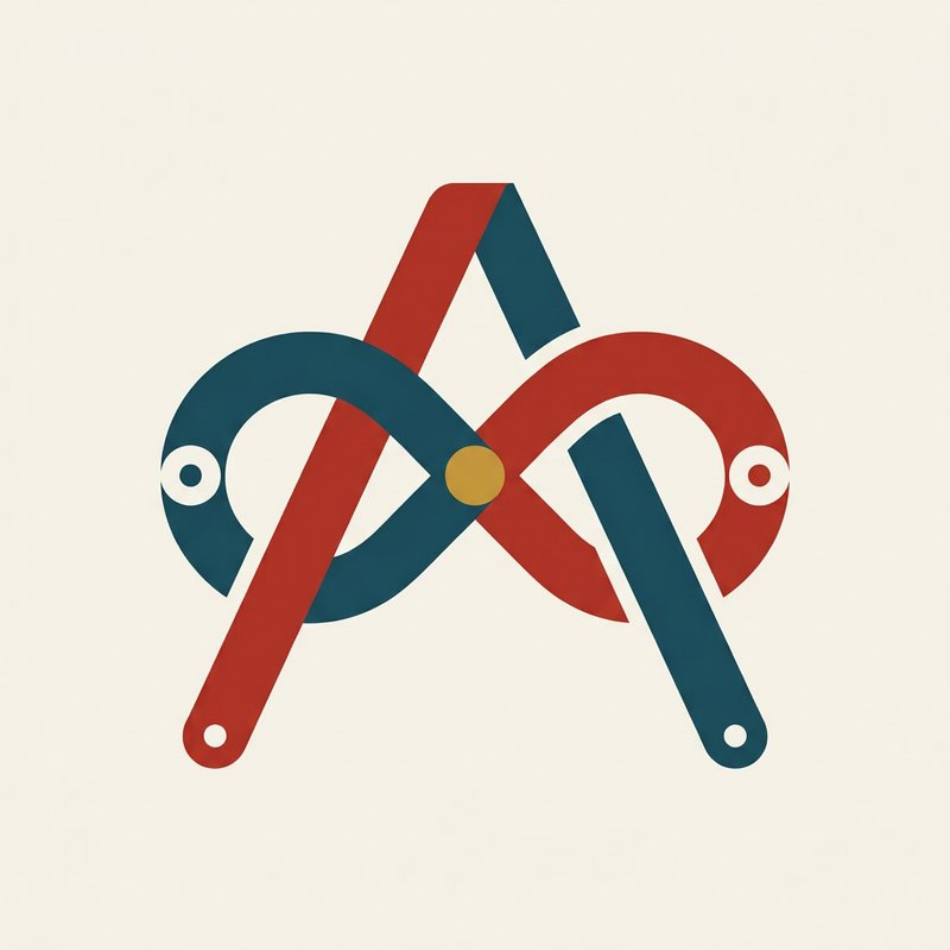

The clear A — vessel detail

Medical-illustration grade: wall-thickness lines, pronounced lumens, one true branch s

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The clear A — minimal

The 16 px cut — the letter, the loops, the lumen dots.

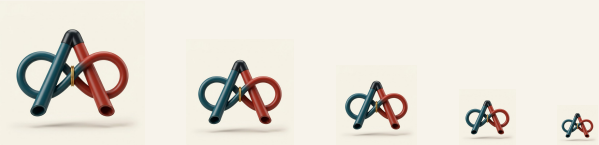

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The clear A — rendered

Literal 3D vessels: real tubes, open mouths with interior depth, gold suture ring.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

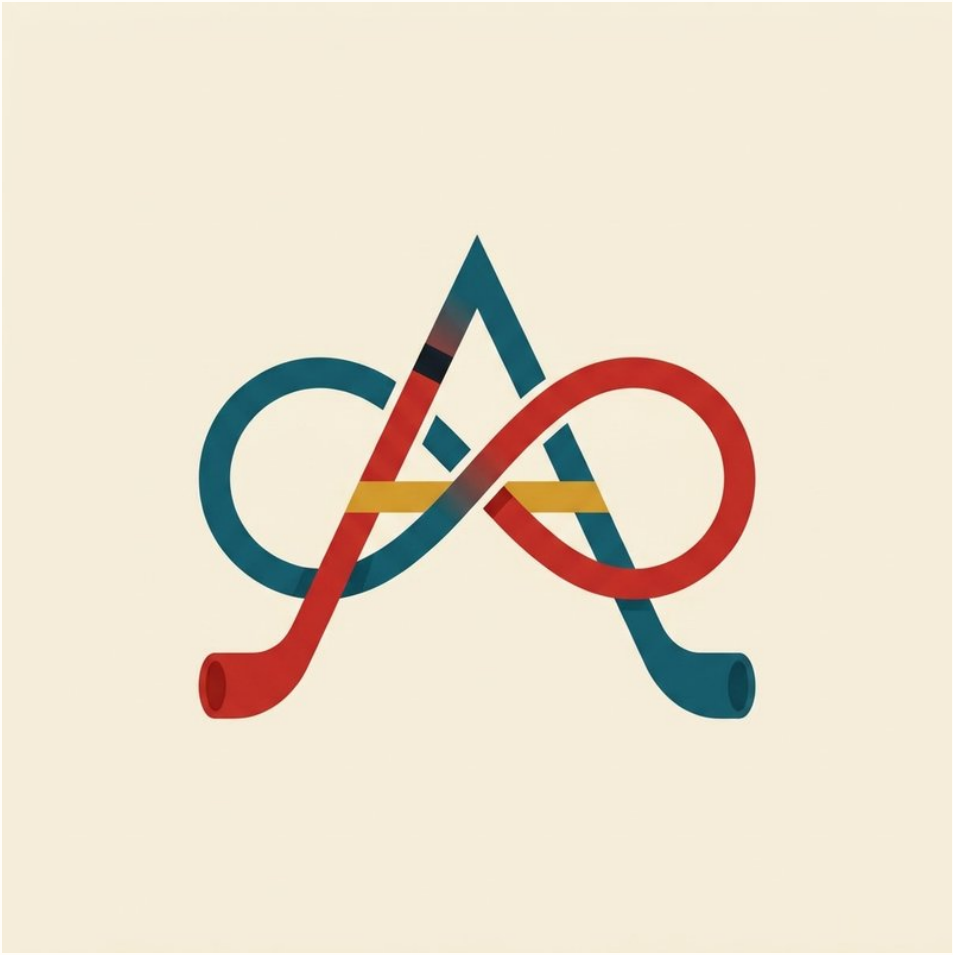

The infinite crossbar

The clearest integration: a textbook A whose crossbar IS the infinity — drawn in gol

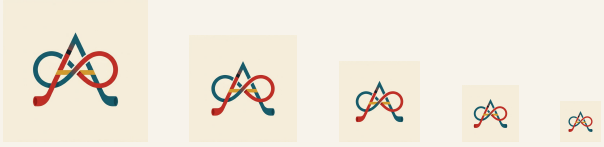

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A-Infinity — your style

The founder's fusion, drawn in the founder's style — composition from one, aesthetic the other.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

Your style, our blood

The style you attached, carrying the arteriovenous palette through it.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

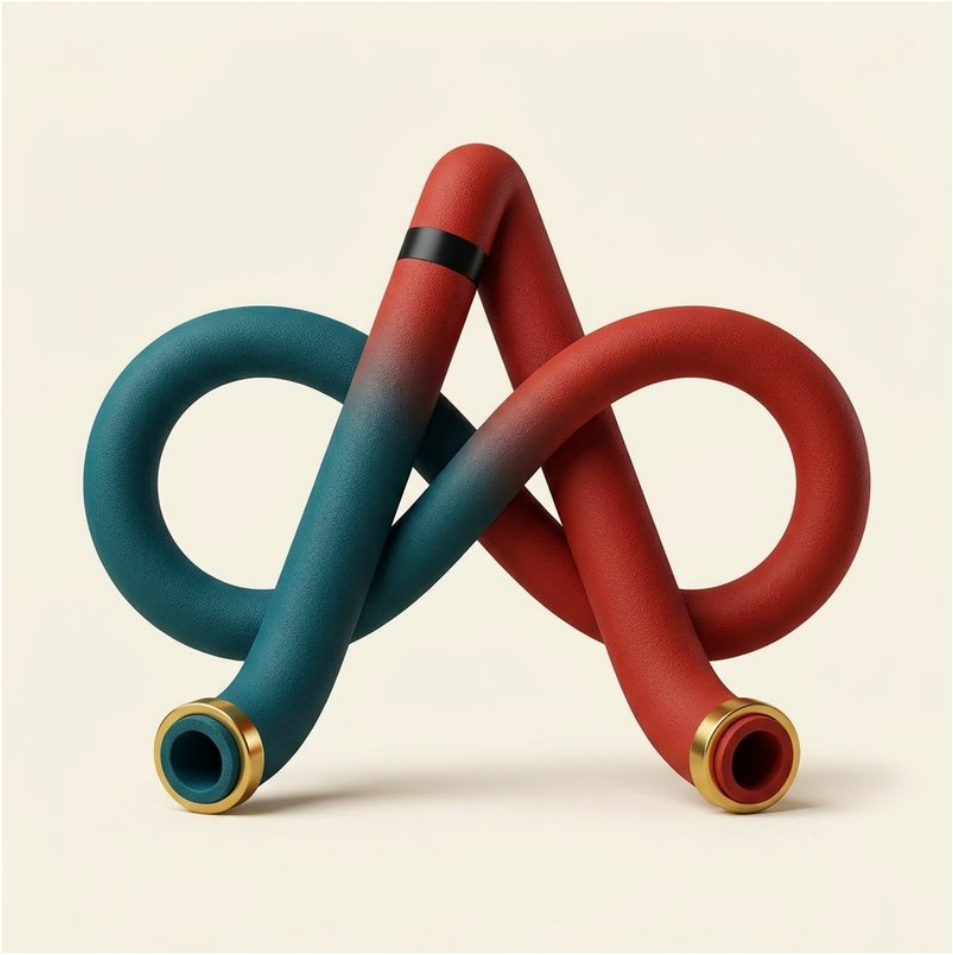

Your style — minimal

The 16 px cut in your style — fewest strokes, both readings alive.

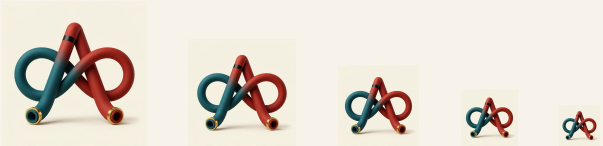

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

Your style — hero

The richest expression of your style on the fused form — the launch asset.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

AINF-1

The A-Infinity — definitive

The founder's fusion, elevated: the A and the infinity as one vessel form — gold sutur
the crossing.

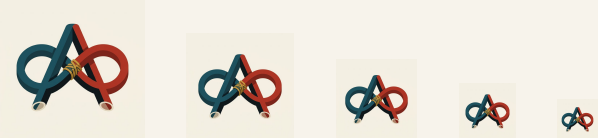

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

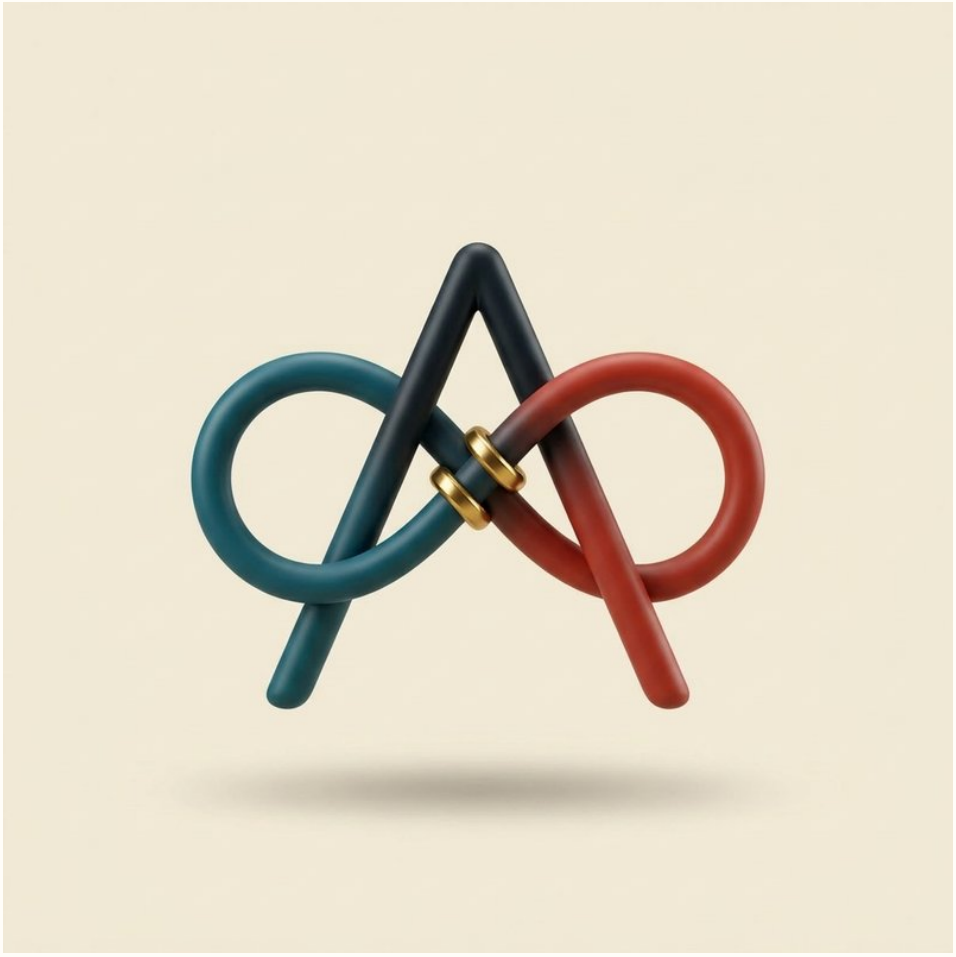

The A-Infinity — sculptural

The fusion extruded into depth — walls, lumens in perspective, two-tone carving.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A-Infinity — rendered

The flagship render: studio light, true volume, the gold ring at the junction.

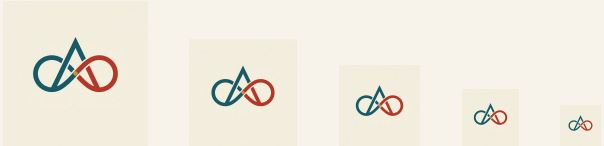

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A-Infinity — minimal

The 16 px cut — fewest strokes that still read as both A and infinity.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — definitive

The letter with unmistakable vessel edges: open tube tips, visible lumens, the apex merge.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — original

The one you pointed out — edges that read as vessels.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — sculptural

The letter extruded into depth: vessels with walls, lumens in perspective.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — apex junction

The apex IS the anastomosis: two vessels joined by a gold suture ring.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — refined

Thicker strokes, cleaner merge, premium cut.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — one vessel

The A as a single folded vessel: artery in, graft at the peak, vein out.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The A — looped

The A whose feet curl into two infinite loops.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The endless anastomosis — definitive

The infinity, perfected: fuller loops, thicker tube, a gold band wrapping the crossing

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

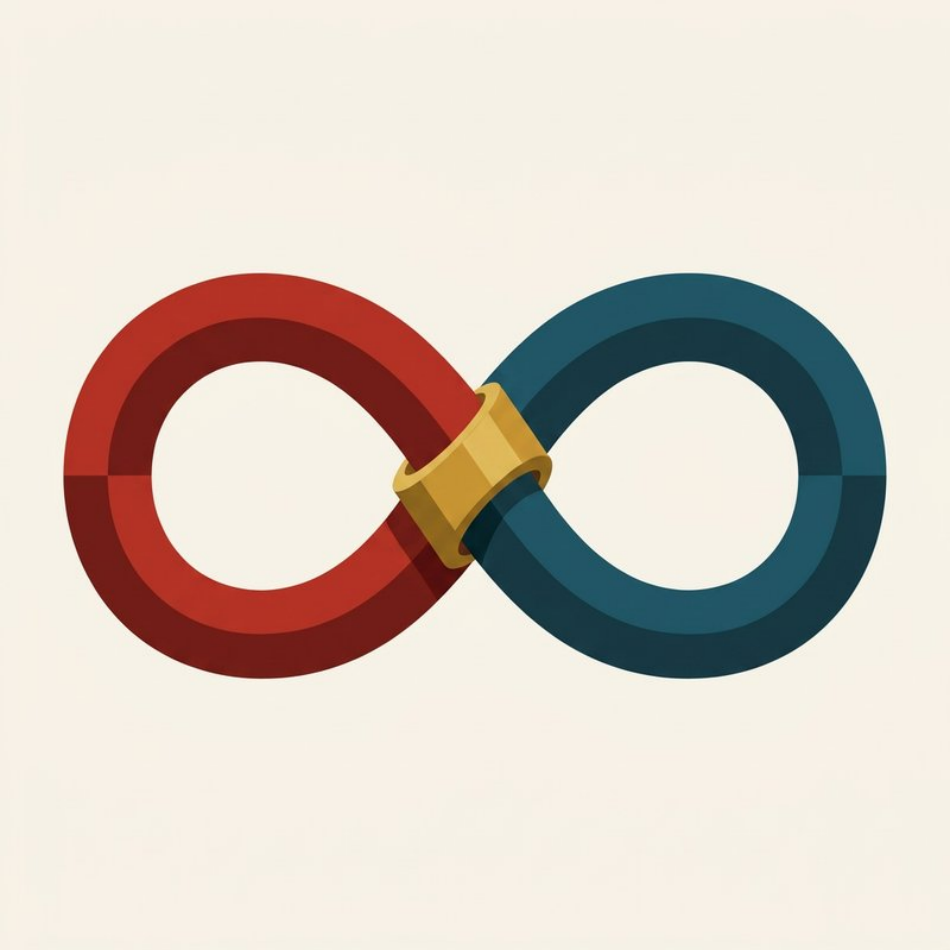

The endless anastomosis — original

The one you liked — crimson loop, petrol loop, golden suture.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The endless anastomosis — sculptural

The infinity with real walls and depth — flat two-tone carving.

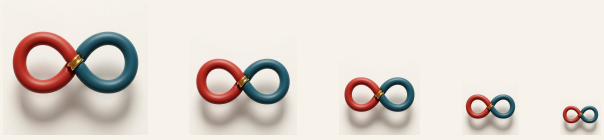

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The endless anastomosis — rendered

The flagship render: studio light, true volume, the gold ring at the heart.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The knot

Two vessels tied in the surgeon's square knot.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The knot — tightened

Reduced to its essential crossings.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The links

Two chain links woven through each other.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX

The drops

Two drops merging at a golden seam.

SIZE LADDER — 54 / 40 / 30 / 21 / 15 PX
